# The Gordon Black Memorial Camp Sponsorship Fund

Established in 2003 by Margaret & Emily Black.

Over the past six years \$10,000 has been raised to send 80 underprivileged children to Wye Marsh's Camp Marshes & Moccasins for one week during the summer.

As an underprivileged child himself, Gordon was not able to participate in summer camp. Margaret felt this would be a wonderful tribute to her husband who enjoyed visiting Wye Marsh as a family with their daughter Emily. Local Social Services identify children who would benefit from a summer camp experience. Your gift of \$135 will enable an underprivileged child in our community to participate and enjoy the wonderful experience of going to summer camp.

This funding program opens up a whole new world for children who would otherwise not be able to participate in Camp Marshes & Moccasins at Wye Marsh. Our interactive, educational and fun activities are designed to provide a full summer camp experience for children of all ages.

## Four important things to know about sending children to Wye Marsh summer day camp:

- 1 **EXPLORING** nature at an early age assists in developing a life-long appreciation and dedication for environmental stewardship.
- 2 **PARTICIPATING** in interactive outdoor activities helps build strong bodies and strong minds.
- 3 **CULTIVATING** new relationships is invaluable in developing a child's self-esteem and social growth.
- 4 **HAVING FUN** during the summer creates happy memories that will last a lifetime.

A donation of \$135.00 allows a child to participate in Camp Marshes & Moccasins at Wye Marsh for a week.

*Your support is greatly appreciated. On behalf of the children, thank you.  
Sincerely, Margaret Black and Wye Marsh.*
